

An aerial, high-angle photograph of a modern building with a glass roof. The building's structure is visible through the glass, showing a grid of columns and beams. In the center of the building is a courtyard with several trees and a central fountain. The sky is a deep blue, suggesting dusk or dawn. The overall tone is architectural and modern.

Case 2: Energy Sector

Mantra is sustainable empowerment

How can energy companies combine the above elements in providing cost efficient energy solutions and, at the same time, protect the environment? How do you see the future of energy sector by year 2020?
